OUR STORY

Roberto's Cheesecakes has been in the cake and pastry business for over 35 years.

Throughout this time we have built a strong reputation by using only the highest quality ingredients for daily in-house baking.

Our bakers and decorators understand the importance of your wedding day and are dedicated to bringing your dream cake to life.

We want to be able to offer you an affordable wedding cake which is suited to your style and wedding plans.

To do this we ask you to provide the decorations (flowers, chocolates etc) to keep the price low (of course we will put them on the cake free of charge for you!)

Our decorator works with you to determine the design and tiers as well as suggested decorations and colours.
